Editable Blue & Gold Banquet Program Template

Several folks contacted me asking if there was a way to further edit the Blue & Gold banquet program template.

Now there is! I created a template on [Canva](#) (that's my affiliate link). It is an online graphics program that is super easy to use. If you don't use Canva already, you can sign up for a free account.

There is a pro (paid) version, but you won't need that to update the Blue & Gold program.

Click this link to get the template
